| DESCRIPTION                       | IC OPAMP CHOPPER 2MHZ 16LFCSP                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE                | 3850 pcs                                                                                              |
| DATA SHEET                        |  AD8555ACPZ-R2.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 5.5 V                                                                                         |
| VOLTAGE - INPUT OFFSET            | 2µV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 16-LFCSP-VQ (4x4)                                                                                     |
| SLEW RATE                         | 1.2 V/µs                                                                                              |
| SERIES                            | DigiTrim®                                                                                             |
| PACKAGING                         | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                    | 16-VQFN Exposed Pad, CSP                                                                              |
| OUTPUT TYPE                       | -                                                                                                     |
| OTHER NAMES                       | AD8555ACPZ-R2TR                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                         |
| NUMBER OF CIRCUITS                | 1                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| GAIN BANDWIDTH PRODUCT            | 2MHz                                                                                                  |
| DETAILED DESCRIPTION              | Zero-Drift Amplifier 1 Circuit 16-LFCSP-VQ (4x4)                                                      |
| CURRENT - SUPPLY                  | 2mA                                                                                                   |
| CURRENT - OUTPUT / CHANNEL        | 10mA                                                                                                  |
| CURRENT - INPUT BIAS              | 16nA                                                                                                  |
| BASE PART NUMBER                  | AD8555                                                                                                |
| AMPLIFIER TYPE                    | Zero-Drift                                                                                            |
