|                                  |  2.MAX16910CATA9+T.pdf    |
| VOLTAGE DROPOUT (MAX)            | 0.6V @ 200mA                                                                                                 |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.5V (3.3V, 5V)                                                                                              |
| VOLTAGE - OUTPUT (MAX)           | 11V                                                                                                          |
| VOLTAGE - INPUT (MAX)            | 30V                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 8-TDFN-EP (3x3)                                                                                              |
| SERIES                           | -                                                                                                            |
| PROTECTION FEATURES              | Over Temperature, Short Circuit                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                             |
| PACKAGE / CASE                   | 8-WDFN Exposed Pad                                                                                           |
| PSRR                             | 60dB (100Hz)                                                                                                 |
| OUTPUT TYPE                      | Adjustable (Fixed)                                                                                           |
| OUTPUT CONFIGURATION             | Positive                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                           |
| NUMBER OF REGULATORS             | 1                                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                   |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed or Adjustable 1 Output 3.3V, 5V, Adjustable 200mA 8-TDFN-EP (3x3) |
| CURRENT - QUIESCENT (IQ)         | 30µA                                                                                                         |
| CURRENT - OUTPUT                 | 200mA                                                                                                        |
| CONTROL FEATURES                 | Enable, Reset                                                                                                |
| BASE PART NUMBER                 | MAX16910                                                                                                     |
