

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:MC74HC245AFELG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC TXRX NON-INVERT 6V SOEIAJ-20

Datasheets: MC74HC245AFELG.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:3300 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC74HC245AFELG

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74HC245AFELG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC TXRX NON-INVERT 6V SOEIAJ-20                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 3300 pcs                                                                                               |
| DATA SHEET                       |  MC74HC245AFELG.pdf |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                                                              |
| SUPPLIER DEVICE PACKAGE          | SOEIAJ-20                                                                                              |
| SERIES                           | 74HC                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 20-SOIC (0.209", 5.30mm Width)                                                                         |
| OUTPUT TYPE                      | 3-State                                                                                                |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                     |
| NUMBER OF ELEMENTS               | 1                                                                                                      |
| NUMBER OF BITS PER ELEMENT       | 8                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INPUT TYPE                       | -                                                                                                      |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 1 Element 8 Bit per Element 3-State Output SOEIAJ-20                        |
| CURRENT - OUTPUT HIGH, LOW       | 7.8mA, 7.8mA                                                                                           |
| BASE PART NUMBER                 | 74HC245                                                                                                |
