

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:KAI-0330-ABA-CB-AA-SINGLE

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IMAGE SENSOR CCD VGA SGL 20CDIP

Datasheets: KAI-0330-ABA-CB-AA-SINGLE.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:605 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of KAI-0330-ABA-CB-AA-SINGLE

|                                  |                                                                                                                   |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | KAI-0330-ABA-CB-AA-SINGLE                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                              |
| DESCRIPTION                      | IMAGE SENSOR CCD VGA SGL 20CDIP                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                        |
| QUANTITY AVAILABLE               | 605 pcs                                                                                                           |
| DATA SHEET                       |  KAI-0330-ABA-CB-AA-SINGLE.pdf |
| VOLTAGE - SUPPLY                 | 12 V ~ 15.5 V                                                                                                     |
| TYPE                             | CCD                                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 20-CDIP                                                                                                           |
| SERIES                           | -                                                                                                                 |
| PIXEL SIZE                       | 9µm x 9µm                                                                                                         |
| PACKAGING                        | Bulk                                                                                                              |
| PACKAGE / CASE                   | 20-CDIP Module                                                                                                    |
| OPERATING TEMPERATURE            | 40°C (TJ)                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                        |
| FRAMES PER SECOND                | 120                                                                                                               |
| DETAILED DESCRIPTION             | CCD Image Sensor 648H x 484V 9µm x 9µm 20-CDIP                                                                    |
| ACTIVE PIXEL ARRAY               | 648H x 484V                                                                                                       |
