Specifications of CD74HC540E

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | CD74HC540E                                                           |
| MANUFACTURER                     | N/A                                                                  |
| DESCRIPTION                      | IC BUFFER INVERT 6V 20DIP                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| QUANTITY AVAILABLE               | 104126 pcs                                                           |
| DATA SHEET                       |                                                                      |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                            |
| SUPPLIER DEVICE PACKAGE          | 20-PDIP                                                              |
| SERIES                           | 74HC                                                                 |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 20-DIP (0.300", 7.62mm)                                              |
| OUTPUT TYPE                      | 3-State                                                              |
| OTHER NAMES                      | 296-12812-5<br>CD74HC540EE4<br>CD74HC540EE4-ND                       |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                   |
| NUMBER OF ELEMENTS               | 1                                                                    |
| NUMBER OF BITS PER ELEMENT       | 8                                                                    |
| MOUNTING TYPE                    | Through Hole                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LOGIC TYPE                       | Buffer, Inverting                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| INPUT TYPE                       | -                                                                    |
| DETAILED DESCRIPTION             | Buffer, Inverting 1 Element 8 Bit per Element 3-State Output 20-PDIP |
| CURRENT - OUTPUT HIGH, LOW       | 7.8mA, 7.8mA                                                         |
| BASE PART NUMBER                 | 74HC540                                                              |
