

NXP Semiconductors / Freescale

S912ZVMBA4F0VLFR

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | S912ZVMBA4F0VLFR               |
| Manufacturer/Brand: | NXP Semiconductors / Freescale |
| Product description | VMB64 48K FLASH 4K RAM         |
| Datasheets:         |                                |
| Stock Condition     | 30513 pcs stock                |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

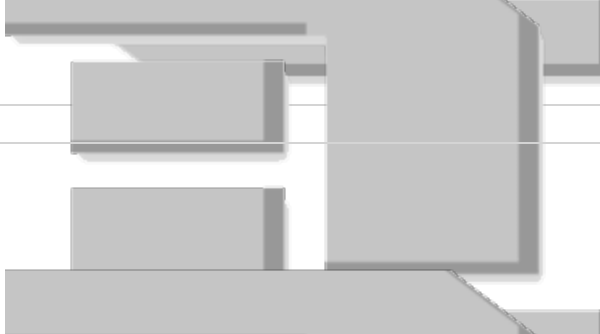

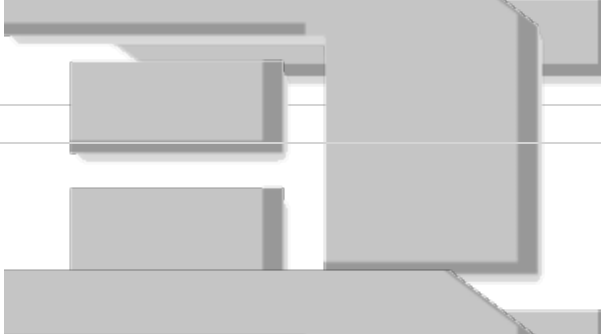

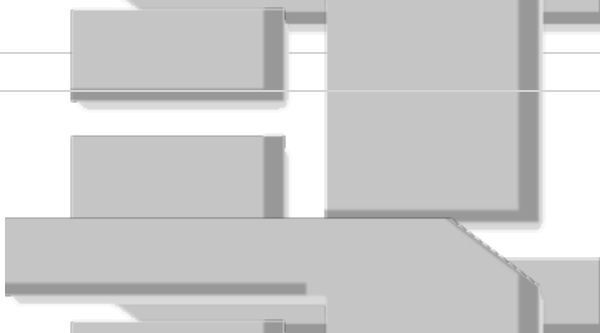

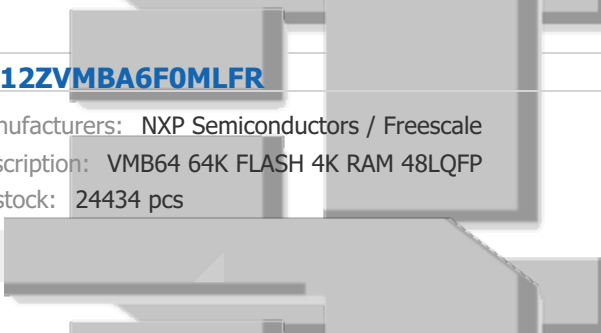

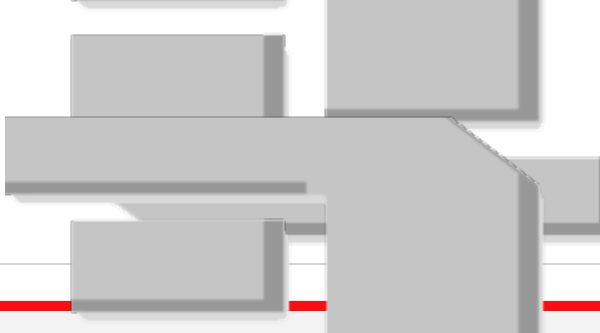

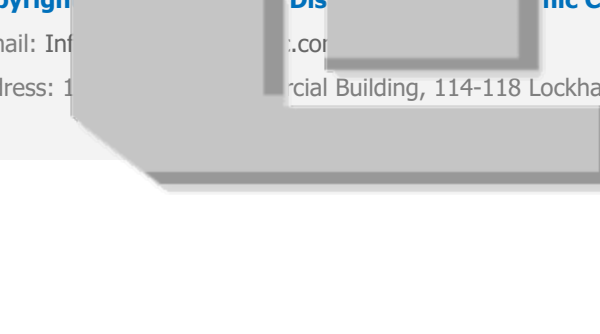

Specifications of S912ZVMBA4F0VLFR

|                                |                                                                                    |
|--------------------------------|------------------------------------------------------------------------------------|
| PART NUMBER                    | S912ZVMBA4F0VLFR                                                                   |
| MANUFACTURER                   | NXP Semiconductors / Freescale                                                     |
| DESCRIPTION                    | VMB64 48K FLASH 4K RAM                                                             |
| LEAD FREE STATUS / ROHS STATUS |                                                                                    |
| QUANTITY AVAILABLE             | 30513 pcs                                                                          |
| DATA SHEET                     |                                                                                    |
| VOLTAGE - SUPPLY (VCC/VDD)     | 3.5 V ~ 40 V                                                                       |
| SUPPLIER DEVICE PACKAGE        | 48-LQFP (7x7)                                                                      |
| SPEED                          | 32MHz                                                                              |
| SERIES                         | S12 MagniV                                                                         |
| RAM SIZE                       | 4K x 8                                                                             |
| PROGRAM MEMORY TYPE            | FLASH                                                                              |
| PROGRAM MEMORY SIZE            | 48KB (48K x 8)                                                                     |
| PERIPHERALS                    | DMA, LVD, POR, PWM, WDT                                                            |
| PACKAGING                      | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                 | 48-LQFP                                                                            |
| OTHER NAMES                    | 935354636528                                                                       |
| OSCILLATOR TYPE                | Internal                                                                           |
| OPERATING TEMPERATURE          | -40°C ~ 105°C (TA)                                                                 |
| NUMBER OF I/O                  | 15                                                                                 |
| EEPROM SIZE                    | 512 x 8                                                                            |
| DETAILED DESCRIPTION           | S12Z S12 MagniV Microcontroller IC 16-Bit 32MHz 48KB (48K x 8) FLASH 48-LQFP (7x7) |
| DATA CONVERTERS                | A/D 5x10b                                                                          |
| CORE SIZE                      | 16-Bit                                                                             |
| CORE PROCESSOR                 | S12Z                                                                               |
| CONNECTIVITY                   | LINbus, SCI, SPI                                                                   |
