| VOLTAGE - SUPPLY, SINGLE/DUAL (±)  | -                                                                                     |
| VOLTAGE - INPUT OFFSET             | 50nA                                                                                  |
| VOLTAGE - BREAKDOWN                | 8-uMAX                                                                                |
| SERIES                             | -                                                                                     |
| ROHS STATUS                        | Tube                                                                                  |
| POLARIZATION                       | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                |
| OUTPUT TYPE                        | Rail-to-Rail                                                                          |
| ORIENTATION                        | 2                                                                                     |
| OPERATING TEMPERATURE              | -40°C ~ 85°C                                                                          |
| NUMBER OF BITS/STAGES              | 1.2mV                                                                                 |
| MOUNTING TYPE                      | Surface Mount                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)   | 1 (Unlimited)                                                                         |
| MAX OUTPUT POWER X CHANNELS @ LOAD | General Purpose                                                                       |
| MANUFACTURER PART NUMBER           | MAX4326EUA+                                                                           |
| EXPANDED DESCRIPTION               | General Purpose Amplifier 2 Circuit Rail-to-Rail 8-uMAX                               |
| DESCRIPTION                        | IC OPAMP GP 5MHZ RRO 8UMAX                                                            |
| CURRENT - SUPPLY (MAIN IC)         | 2.4 V ~ 6.5 V, ±1.2 V ~ 3.25 V                                                        |
| CURRENT - SUPPLY                   | 725µA                                                                                 |
| CURRENT - INPUT BIAS               | 5MHz                                                                                  |
| CHANNELS PER IC                    | 50mA                                                                                  |
| -3DB BANDWIDTH                     | 2 V/µs                                                                                |
