| DESCRIPTION                      | IC ADC 16-BIT I2C PROGBL SOT23-6                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| QUANTITY AVAILABLE               | 13361 pcs                                                         |
| DATA SHEET                       |                                                                   |
| VOLTAGE - SUPPLY, DIGITAL        | 2.7 V ~ 5.5 V                                                     |
| VOLTAGE - SUPPLY, ANALOG         | 2.7 V ~ 5.5 V                                                     |
| SUPPLIER DEVICE PACKAGE          | SOT-23-6                                                          |
| SERIES                           | -                                                                 |
| SAMPLING RATE (PER SECOND)       | 240                                                               |
| REFERENCE TYPE                   | Internal                                                          |
| RATIO - S/H:ADC                  | -                                                                 |
| PACKAGING                        | Original-Reel®                                                    |
| PACKAGE / CASE                   | SOT-23-6                                                          |
| OTHER NAMES                      | 296-14467-6                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                     |
| NUMBER OF INPUTS                 | 1                                                                 |
| NUMBER OF BITS                   | 16                                                                |
| NUMBER OF A/D CONVERTERS         | 1                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| INPUT TYPE                       | Differential, Single Ended                                        |
| FEATURES                         | PGA, Selectable Address                                           |
| DETAILED DESCRIPTION             | 16 Bit Analog to Digital Converter 1 Input 1 Sigma-Delta SOT-23-6 |
| DATA INTERFACE                   | I²C                                                               |
| CONFIGURATION                    | PGA-ADC                                                           |
| BASE PART NUMBER                 | ADS1110                                                           |
| ARCHITECTURE                     | Sigma-Delta                                                       |
