| VOLTAGE - SUPPLY, SINGLE (V+)     | -                                                                      |
| VOLTAGE - SUPPLY, DUAL (V±)       | ±4.5 V ~ 5.5 V                                                         |
| SWITCH CIRCUIT                    | -                                                                      |
| SUPPLIER DEVICE PACKAGE           | 36-SSOP                                                                |
| SERIES                            | -                                                                      |
| PACKAGING                         | Tube                                                                   |
| PACKAGE / CASE                    | 36-BSOP (0.295", 7.50mm Width)                                         |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                      |
| ON-STATE RESISTANCE (MAX)         | -                                                                      |
| NUMBER OF CHANNELS                | 1                                                                      |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 4:4                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                             |
| FEATURES                          | Bi-Directional, Buffered, T-Switch Configuration                       |
| DETAILED DESCRIPTION              | Video Switch IC 1 Channel 36-SSOP                                      |
| APPLICATIONS                      | Video                                                                  |
| -3DB BANDWIDTH                    | 65MHz                                                                  |
