

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:MC14559BDWR2G

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC REGISTER 8BIT APPROX 16-SOIC

Datasheets:MC14559BDWR2G.pdf

RoHs Status:Lead free / RoHS Compliant

Stock Condition:28984 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of MC14559BDWR2G

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC14559BDWR2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC REGISTER 8BIT APPROX 16-SOIC                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE               | 28984 pcs                                                                                             |
| DATA SHEET                       |  MC14559BDWR2G.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 18 V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                               |
| SERIES                           | 4000B                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                                                        |
| OUTPUT TYPE                      | Push-Pull                                                                                             |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                         |
| NUMBER OF ELEMENTS               | 1                                                                                                     |
| NUMBER OF BITS PER ELEMENT       | 8                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                         |
| LOGIC TYPE                       | Register, Successive Approximation                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| FUNCTION                         | Universal                                                                                             |
| BASE PART NUMBER                 | 4559                                                                                                  |
