| DESCRIPTION                       | IC OPAMP INSTR RRO 8SOIC                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                         |
| QUANTITY AVAILABLE                | 5987 pcs                                                                                                           |
| DATA SHEET                        |  <a href="#">CS3003-FSZ.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 5 V, ±1.35 V ~ 2.5 V                                                                                       |
| VOLTAGE - INPUT OFFSET            | 2μV                                                                                                                |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                             |
| SLEW RATE                         | 0.25 V/μs                                                                                                          |
| SERIES                            | -                                                                                                                  |
| PACKAGING                         | Tube                                                                                                               |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                      |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                       |
| OTHER NAMES                       | 598-1166-5                                                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                      |
| NUMBER OF CIRCUITS                | 1                                                                                                                  |
| MOUNTING TYPE                     | Surface Mount                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 2 (1 Year)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                         |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail 8-SOIC                                                            |
| CURRENT - SUPPLY                  | 1mA                                                                                                                |
| CURRENT - INPUT BIAS              | 170pA                                                                                                              |
| BASE PART NUMBER                  | CS3003                                                                                                             |
| AMPLIFIER TYPE                    | General Purpose                                                                                                    |
