| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| FREQUENCY                        | 433MHz ~ 450MHz, 865MHz ~ 868MHz                                                                                     |
| FEATURES                         | -                                                                                                                    |
| DETAILED DESCRIPTION             | - RF Receiver ASK, FSK 433MHz ~ 450MHz, 865MHz ~ 868MHz -111dBm 20 kbps PCB, Surface Mount PG-TSSOP-28               |
| DATA RATE (MAX)                  | 20 kbps                                                                                                              |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                                   |
| CURRENT - RECEIVING              | 8mA                                                                                                                  |
| APPLICATIONS                     | RKE, TPM, Security Systems                                                                                           |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                                   |
