| DATA SHEET                        |  EL5308IS-T13.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 12 V, ±2.5 V ~ 6 V                                                                             |
| VOLTAGE - INPUT OFFSET            | 3mV                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 16-SOIC                                                                                              |
| SLEW RATE                         | 4500 V/μs                                                                                            |
| SERIES                            | -                                                                                                    |
| PACKAGING                         | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                    | 16-SOIC (0.154", 3.90mm Width)                                                                       |
| OUTPUT TYPE                       | -                                                                                                    |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                         |
| NUMBER OF CIRCUITS                | 3                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                   |
| DETAILED DESCRIPTION              | General Purpose Amplifier 3 Circuit 16-SOIC                                                          |
| CURRENT - SUPPLY                  | 3.7mA                                                                                                |
| CURRENT - INPUT BIAS              | 2μA                                                                                                  |
| BASE PART NUMBER                  | EL5308                                                                                               |
| AMPLIFIER TYPE                    | General Purpose                                                                                      |
| -3DB BANDWIDTH                    | 450MHz                                                                                               |
