|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SN74LS375N                                                                                                   |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC QUAD BISTABLE LATCH 16-DIP                                                                                |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 82611 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

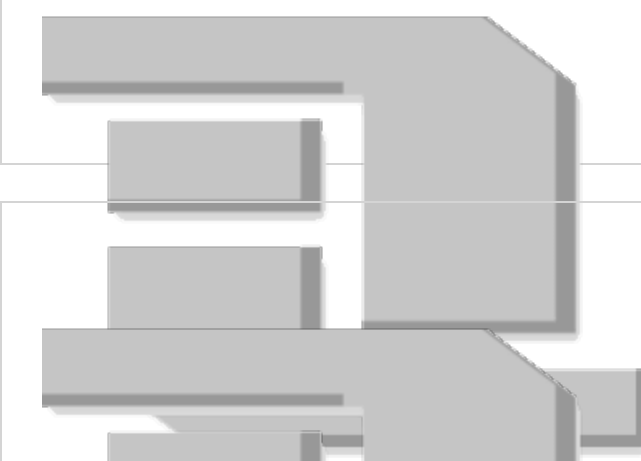

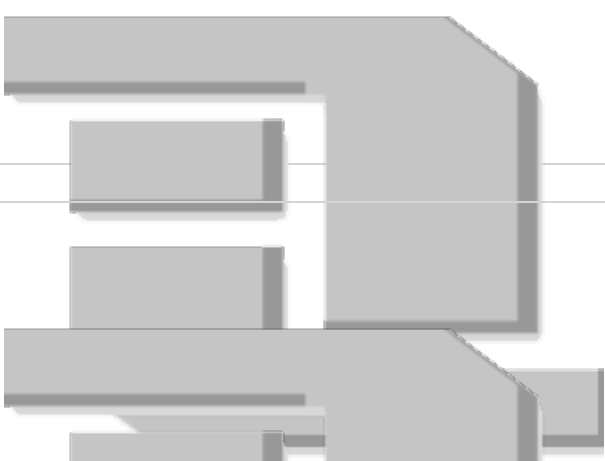

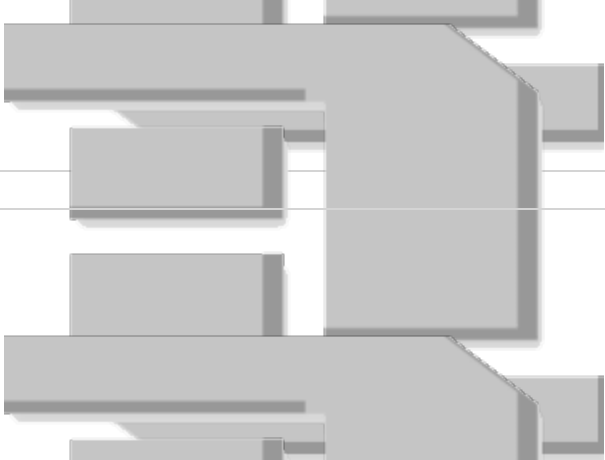

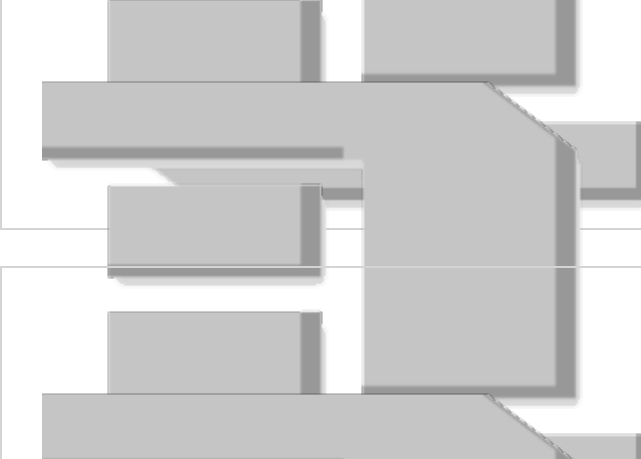

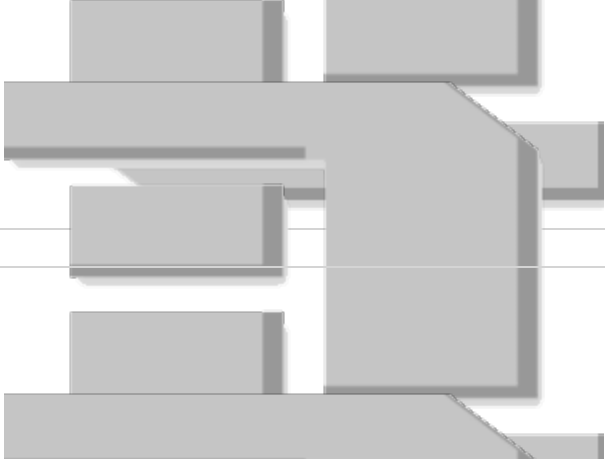

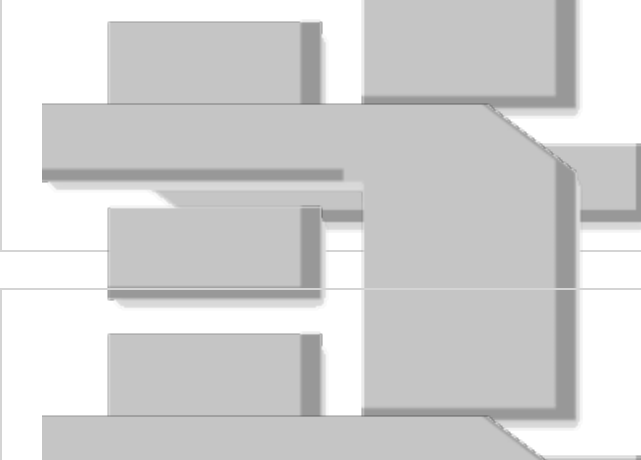

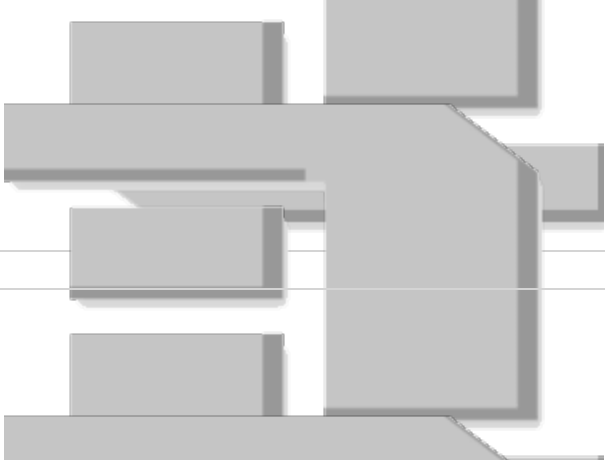

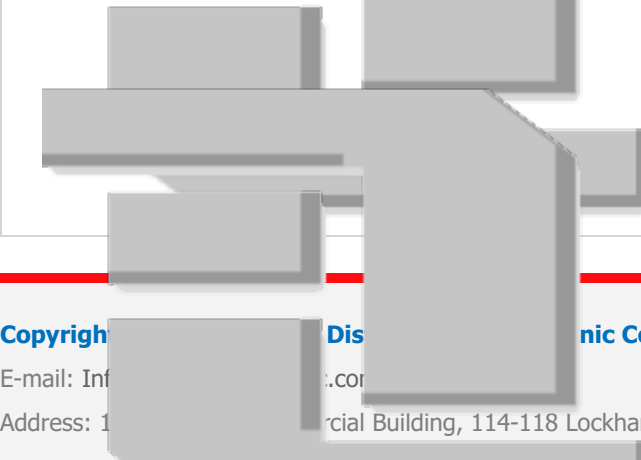

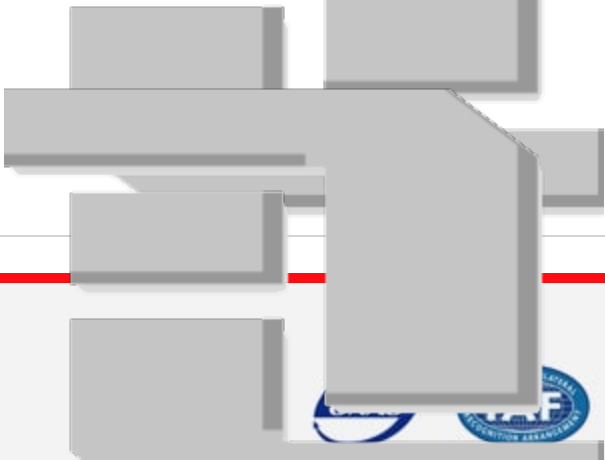

Specifications of SN74LS375N

|                                  |                                                                |
|----------------------------------|----------------------------------------------------------------|
| PART NUMBER                      | SN74LS375N                                                     |
| MANUFACTURER                     | N/A                                                            |
| DESCRIPTION                      | IC QUAD BISTABLE LATCH 16-DIP                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| QUANTITY AVAILABLE               | 82611 pcs                                                      |
| DATA SHEET                       |                                                                |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                |
| SUPPLIER DEVICE PACKAGE          | 16-PDIP                                                        |
| SERIES                           | 74LS                                                           |
| PACKAGING                        | Tube                                                           |
| PACKAGE / CASE                   | 16-DIP (0.300" , 7.62mm)                                       |
| OUTPUT TYPE                      | Differential                                                   |
| OTHER NAMES                      | 296-34000-5<br>SN74LS375N-ND                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                     |
| MOUNTING TYPE                    | Through Hole                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                  |
| LOGIC TYPE                       | D-Type Transparent Latch                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| INDEPENDENT CIRCUITS             | 4                                                              |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 4 Channel 1:1 IC Differential 16-PDIP |
| DELAY TIME - PROPAGATION         | 12ns                                                           |
| CURRENT - OUTPUT HIGH, LOW       | 400µA, 8mA                                                     |
| CIRCUIT                          | 1:1                                                            |
| BASE PART NUMBER                 | 74LS375                                                        |
