

Micrel / Microchip Technology

Part Number:AT25080A-10TU-2.7

Manufacturer/Brand: Micrel / Microchip Technology

Product description: IC EEPROM 8K SPI 20MHZ 8TSSOP

Datasheets: AT25080A-10TU-2.7.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition: 5108 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of AT25080A-10TU-2.7

| QUANTITY AVAILABLE               | 5108 pcs                                                                                                  |
| DATA SHEET                       |  AT25080A-10TU-2.7.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                                       |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                             |
| TECHNOLOGY                       | EEPROM                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                   |
| SERIES                           | -                                                                                                         |
| PACKAGING                        | Tube                                                                                                      |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| MEMORY TYPE                      | Non-Volatile                                                                                              |
| MEMORY SIZE                      | 8Kb (1K x 8)                                                                                              |
| MEMORY INTERFACE                 | SPI                                                                                                       |
| MEMORY FORMAT                    | EEPROM                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | EEPROM Memory IC 8Kb (1K x 8) SPI 20MHz 8-TSSOP                                                           |
| CLOCK FREQUENCY                  | 20MHz                                                                                                     |
| BASE PART NUMBER                 | AT25080                                                                                                   |
