| DESCRIPTION                      | IC CLK BUFFER 2:12 800MHZ 40VQFN                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| QUANTITY AVAILABLE               | 10127 pcs                                                                           |
| DATA SHEET                       |                                                                                     |
| VOLTAGE - SUPPLY                 | 2.375 V ~ 2.625 V                                                                   |
| TYPE                             | Fanout Buffer (Distribution), Multiplexer                                           |
| SUPPLIER DEVICE PACKAGE          | 40-VQFN (6x6)                                                                       |
| SERIES                           | -                                                                                   |
| RATIO - INPUT:OUTPUT             | 2:12                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                    |
| PACKAGE / CASE                   | 40-VFQFN Exposed Pad                                                                |
| OUTPUT                           | LVDS                                                                                |
| OTHER NAMES                      | 296-28233-2                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                        |
| NUMBER OF CIRCUITS               | 1                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| INPUT                            | LVC MOS, LVDS, LVPECL                                                               |
| FREQUENCY - MAX                  | 800MHz                                                                              |
| DIFFERENTIAL - INPUT:OUTPUT      | Yes/Yes                                                                             |
