| MANUFACTURER                     | N/A                                                                                          |
| DESCRIPTION                      | IC LED DRIVER RGLTR DIM 20DSBGA                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                   |
| QUANTITY AVAILABLE               | 84311 pcs                                                                                    |
| DATA SHEET                       |                                                                                              |
| VOLTAGE - SUPPLY (MIN)           | 2.7V                                                                                         |
| VOLTAGE - SUPPLY (MAX)           | 20V                                                                                          |
| VOLTAGE - OUTPUT                 | 16 V ~ 34.5 V                                                                                |
| TYPE                             | DC DC Regulator                                                                              |
| TOPOLOGY                         | Step-Up (Boost)                                                                              |
| SUPPLIER DEVICE PACKAGE          | 20-DSBGA (2.04x1.78)                                                                         |
| SERIES                           | -                                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                             |
| PACKAGE / CASE                   | 20-WFBGA, DSBGA                                                                              |
| OPERATING TEMPERATURE            | -30°C ~ 85°C (TA)                                                                            |
| NUMBER OF OUTPUTS                | 5                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                   |
| INTERNAL SWITCH(S)               | Yes                                                                                          |
| FREQUENCY                        | 312kHz, 625kHz, 1250kHz                                                                      |
| DIMMING                          | PWM                                                                                          |
| DETAILED DESCRIPTION             | LED Driver IC 5 Output DC DC Regulator Step-Up (Boost) PWM Dimming 20mA 20-DSBGA (2.04x1.78) |
| CURRENT - OUTPUT / CHANNEL       | 20mA                                                                                         |
| BASE PART NUMBER                 | LP8556                                                                                       |
| APPLICATIONS                     | Backlight                                                                                    |
