|                                  |                                                     |
|----------------------------------|-----------------------------------------------------|
| PART NUMBER                      | SRF55V02PHCNBX1SA1                                  |
| MANUFACTURER                     | International Rectifier (Infineon Technologies)     |
| DESCRIPTION                      | IC INTERFACE EEPROM                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| QUANTITY AVAILABLE               | 638178 pcs                                          |
| DATA SHEET                       |                                                     |
| VOLTAGE - SUPPLY                 | -                                                   |
| TYPE                             | RFID Transponder                                    |
| STANDARDS                        | ISO 15693, ISO 18000-3                              |
| SERIES                           | my-d™ vicinity                                      |
| OTHER NAMES                      | SP000245649                                         |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| INTERFACE                        | -                                                   |
| FREQUENCY                        | 13.56MHz                                            |
| DETAILED DESCRIPTION             | RFID Transponder IC 13.56MHz ISO 15693, ISO 18000-3 |
