

NXP Semiconductors / Freescale

**SCC2698BE1A84,518**

|                     |                                                                                                                           |
|---------------------|---------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | SCC2698BE1A84,518                                                                                                         |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                                            |
| Product description | IC UART OCTAL ENHANCED 84-PLCC                                                                                            |
| Datasheets:         |                                                                                                                           |
| RoHs Status         | <div>  Lead free / RoHS Compliant </div> |
| Stock Condition     | 4462 pcs stock                                                                                                            |
| Ship From           | Hong Kong                                                                                                                 |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                     |

REQUEST FOR QUOTATION

Specifications of SCC2698BE1A84,518

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | SCC2698BE1A84,518                                     |
| MANUFACTURER                     | NXP Semiconductors / Freescale                        |
| DESCRIPTION                      | IC UART OCTAL ENHANCED 84-PLCC                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| QUANTITY AVAILABLE               | 4462 pcs                                              |
| DATA SHEET                       |                                                       |
| WITH MODEM CONTROL               | Yes                                                   |
| WITH IRDA ENCODER/DECODER        | -                                                     |
| WITH FALSE START BIT DETECTION   | Yes                                                   |
| WITH AUTO FLOW CONTROL           | Yes                                                   |
| VOLTAGE - SUPPLY                 | 5V                                                    |
| SUPPLIER DEVICE PACKAGE          | 84-PLCC                                               |
| SERIES                           | -                                                     |
| PROTOCOL                         | RS485                                                 |
| PACKAGING                        | Tape & Reel (TR)                                      |
| PACKAGE / CASE                   | 84-LCC (J-Lead)                                       |
| OTHER NAMES                      | 935056380518<br>SCC2698BE1A84-T<br>SCC2698BE1A84-T-ND |
| NUMBER OF CHANNELS               | 8                                                     |
| MOUNTING TYPE                    | Surface Mount                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| FEATURES                         | Configurable GPIO, Internal Oscillator, Timer/Counter |
| FIFO'S                           | -                                                     |
| DATA RATE (MAX)                  | -                                                     |
| BASE PART NUMBER                 | SCC2698B                                              |
