

LM5111-1MX/NOPB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LM5111-1MX/NOPB                                                                                              |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | MOSFET DRVR 5A DUAL LOSIDE 8SOIC                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 157239 pcs stock                                                                                             |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

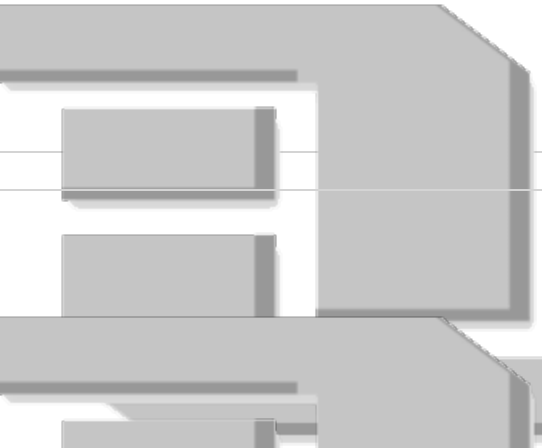

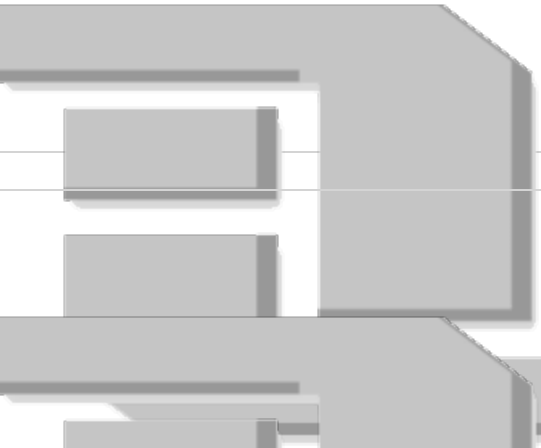

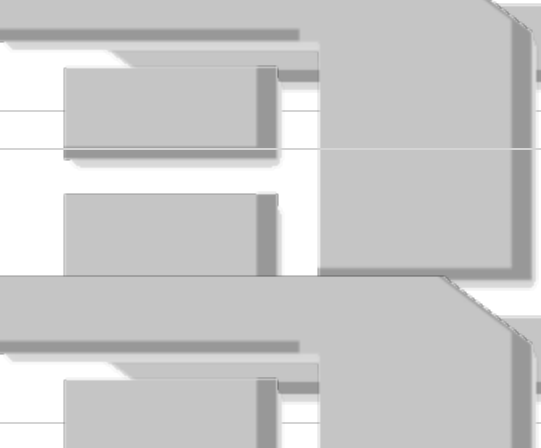

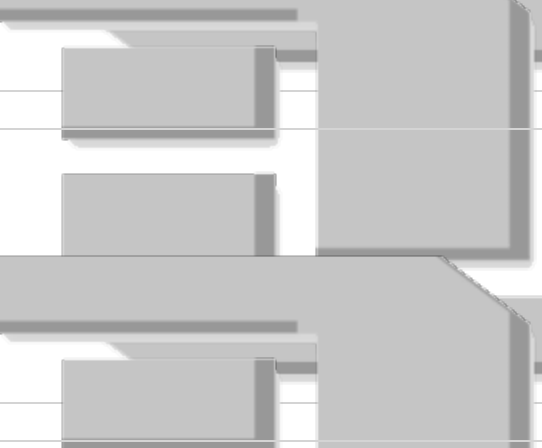

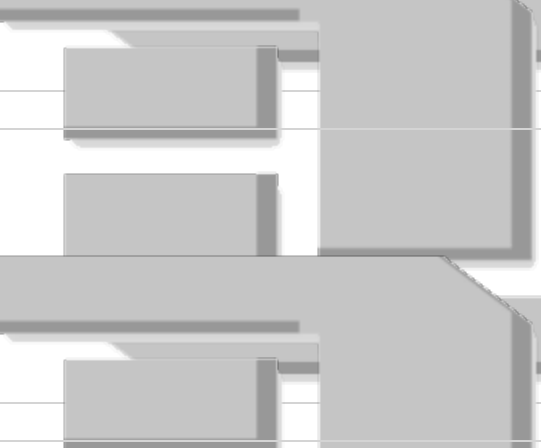

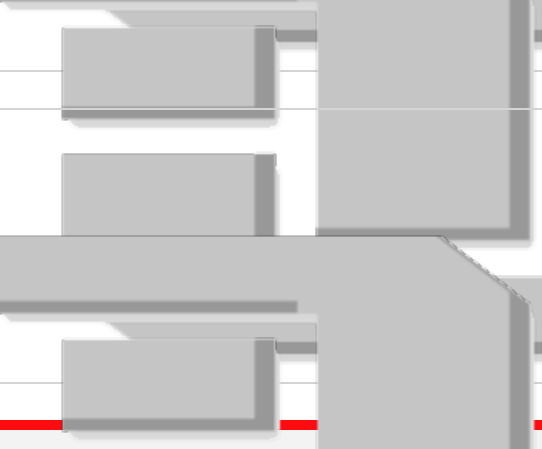

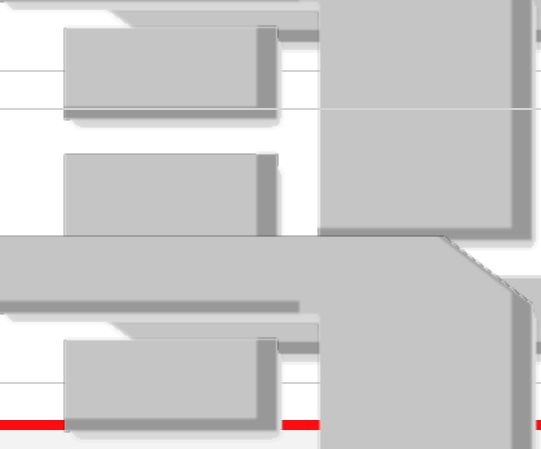

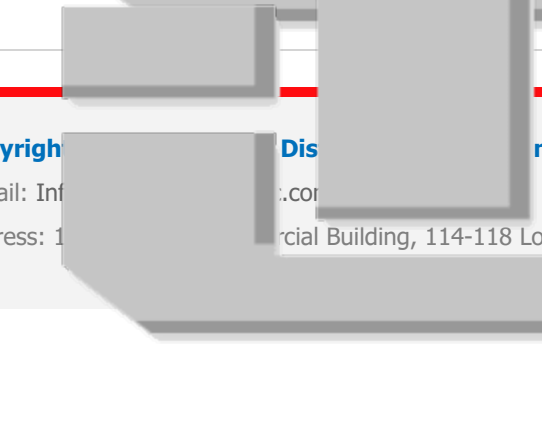

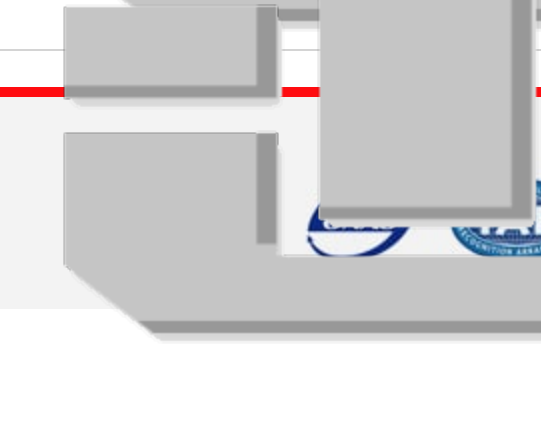

Specifications of LM5111-1MX/NOPB

|                                      |                                                                       |
|--------------------------------------|-----------------------------------------------------------------------|
| PART NUMBER                          | LM5111-1MX/NOPB                                                       |
| MANUFACTURER                         | N/A                                                                   |
| DESCRIPTION                          | MOSFET DRVR 5A DUAL LOSIDE 8SOIC                                      |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                            |
| QUANTITY AVAILABLE                   | 157239 pcs                                                            |
| DATA SHEET                           |                                                                       |
| VOLTAGE - SUPPLY                     | 3.5 V ~ 14 V                                                          |
| SUPPLIER DEVICE PACKAGE              | 8-SOIC                                                                |
| SERIES                               | -                                                                     |
| RISE / FALL TIME (TYP)               | 14ns, 12ns                                                            |
| PACKAGING                            | Tape & Reel (TR)                                                      |
| PACKAGE / CASE                       | 8-SOIC (0.154", 3.90mm Width)                                         |
| OTHER NAMES                          | LM5111-1MX/NOPB-ND<br>LM5111-1MX/NOPBTR<br>LM51111MXNOPB<br>Q3552763B |
| OPERATING TEMPERATURE                | -40°C ~ 125°C (TJ)                                                    |
| NUMBER OF DRIVERS                    | 2                                                                     |
| MOUNTING TYPE                        | Surface Mount                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                         |
| LOGIC VOLTAGE - VIL, VIH             | 0.8V, 2.2V                                                            |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                            |
| INPUT TYPE                           | Non-Inverting                                                         |
| GATE TYPE                            | N-Channel MOSFET                                                      |
| DRIVEN CONFIGURATION                 | Low-Side                                                              |
| DETAILED DESCRIPTION                 | Low-Side Gate Driver IC Non-Inverting 8-SOIC                          |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 3A, 5A                                                                |
| CHANNEL TYPE                         | Independent                                                           |
| BASE PART NUMBER                     | LM5111                                                                |
