| DATA SHEET                       |  PS2561DL2-1Y-F3-L-A.pdf |
| VOLTAGE - OUTPUT (MAX)           | 80V                                                                                                         |
| VOLTAGE - ISOLATION              | 5000Vrms                                                                                                    |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.2V                                                                                                        |
| VCE SATURATION (MAX)             | 300mV                                                                                                       |
| TURN ON / TURN OFF TIME (TYP)    | -                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 4-SMD                                                                                                       |
| SERIES                           | NEPOC                                                                                                       |
| RISE / FALL TIME (TYP)           | 3µs, 5µs                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                            |
| PACKAGE / CASE                   | 4-SMD, Gull Wing                                                                                            |
| OUTPUT TYPE                      | Transistor                                                                                                  |
| OTHER NAMES                      | 559-1347-2                                                                                                  |
| OPERATING TEMPERATURE            | -55°C ~ 110°C                                                                                               |
| NUMBER OF CHANNELS               | 1                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| INPUT TYPE                       | DC                                                                                                          |
| DETAILED DESCRIPTION             | Optoisolator Transistor Output 5000Vrms 1 Channel 4-SMD                                                     |
| CURRENT TRANSFER RATIO (MIN)     | 200% @ 5mA                                                                                                  |
| CURRENT TRANSFER RATIO (MAX)     | 400% @ 5mA                                                                                                  |
| CURRENT - OUTPUT / CHANNEL       | 50mA                                                                                                        |
| CURRENT - DC FORWARD (IF) (MAX)  | 40mA                                                                                                        |
