| QUANTITY AVAILABLE               | 6977 pcs                                                                                               |
| DATA SHEET                       |  ADN2872ACPZ-RL.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                            |
| TYPE                             | Laser Diode Driver                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 24-LFCSP-WQ (4x4)                                                                                      |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad, CSP                                                                              |
| OTHER NAMES                      | ADN2872ACPZ-RLTR                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                           |
| NUMBER OF CHANNELS               | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | Laser Driver IC 3.3Gbps 1 Channel 3 V ~ 3.6 V 24-LFCSP-WQ (4x4)                                        |
| DATA RATE                        | 3.3Gbps                                                                                                |
| CURRENT - SUPPLY                 | 30mA                                                                                                   |
| CURRENT - MODULATION             | 90mA                                                                                                   |
| CURRENT - BIAS                   | 100mA                                                                                                  |
| BASE PART NUMBER                 | ADN2872                                                                                                |
