LTC2960ITS8-2#TRPBF

Part Number: LTC2960ITS8-2#TRPBF

Manufacturer/Brand: ADI (Analog Devices, Inc.)

Product description: IC VOLTAGE MONITOR TSOT23-8

Datasheets:  LTC2960ITS8-2#TRPBF.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 44510 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LTC2960ITS8-2#TRPBF

|                                  |                                                                                                             |

| DESCRIPTION                      | IC VOLTAGE MONITOR TSOT23-8                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| QUANTITY AVAILABLE               | 44510 pcs                                                                                                   |
| DATA SHEET                       |  LTC2960ITS8-2#TRPBF.pdf |
| VOLTAGE - THRESHOLD              | Adjustable/Selectable                                                                                       |
| TYPE                             | Multi-Voltage Supervisor                                                                                    |
| SUPPLIER DEVICE PACKAGE          | TSOT-23-8                                                                                                   |
| SERIES                           | -                                                                                                           |
| RESET TIMEOUT                    | Adjustable/Selectable                                                                                       |
| RESET                            | Active Low                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                            |
| PACKAGE / CASE                   | SOT-23-8 Thin, TSOT-23-8                                                                                    |
| OUTPUT                           | Open Drain or Open Collector                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                           |
| NUMBER OF VOLTAGES MONITORED     | 2                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 2 Channel TSOT-23-8                                                 |
| BASE PART NUMBER                 | LTC2960                                                                                                     |
