| W/SUPERVISOR                        | No                                                                                                                           |
| W/SEQUENCER                         | Yes                                                                                                                          |
| W/LED DRIVER                        | No                                                                                                                           |
| VOLTAGE/CURRENT - OUTPUT 3          | -                                                                                                                            |
| VOLTAGE/CURRENT - OUTPUT 2          | 2.5V, 300mA                                                                                                                  |
| VOLTAGE/CURRENT - OUTPUT 1          | 3.3V, 600mA                                                                                                                  |
| VOLTAGE - SUPPLY                    | 1.65 V ~ 5.5 V                                                                                                               |
| TOPOLOGY                            | Step-Down (Buck) Synchronous (1), Linear (LDO) (1)                                                                           |
| SUPPLIER DEVICE PACKAGE             | 10-LFCSP-WD (3x3)                                                                                                            |
| SERIES                              | -                                                                                                                            |
| PACKAGING                           | Tape & Reel (TR)                                                                                                             |
| PACKAGE / CASE                      | 10-WDFDN Exposed Pad, CSP                                                                                                    |
| OTHER NAMES                         | ADP2140ACPZ3325R7TR                                                                                                          |
| OPERATING TEMPERATURE               | -40°C ~ 125°C                                                                                                                |
| NUMBER OF OUTPUTS                   | 2                                                                                                                            |
| MOUNTING TYPE                       | Surface Mount                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL)    | 3 (168 Hours)                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS      | Lead free / RoHS Compliant                                                                                                   |
| FREQUENCY - SWITCHING               | 3MHz                                                                                                                         |
| DETAILED DESCRIPTION                | Linear And Switching Voltage Regulator IC 2 Output Step-Down (Buck) Synchronous (1), Linear (LDO) (1) 3MHz 10-LFCSP-WD (3x3) |
| BASE PART NUMBER                    | ADP2140                                                                                                                      |
