

Part Number: LT6700IDCB-3#TRPBF

Manufacturer/Brand: ADI (Analog Devices, Inc.)

Product description: IC COMP DUAL 400MV REF 6-DFN

Datasheets:  LT6700IDCB-3#TRPBF.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 46895 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LT6700IDCB-3#TRPBF

|                                   |                                                                                                            |
|-----------------------------------|------------------------------------------------------------------------------------------------------------|

| QUANTITY AVAILABLE                | 46895 pcs                                                                                                  |
| DATA SHEET                        |  LT6700IDCB-3#TRPBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.4 V ~ 18 V                                                                                               |
| VOLTAGE - INPUT OFFSET (MAX)      | -                                                                                                          |
| TYPE                              | with Voltage Reference                                                                                     |
| SUPPLIER DEVICE PACKAGE           | 6-DFN (2x3)                                                                                                |
| SERIES                            | Over-The-Top®                                                                                              |
| PROPAGATION DELAY (MAX)           | 29µs                                                                                                       |
| PACKAGING                         | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                    | 6-WDFDN Exposed Pad                                                                                        |
| OUTPUT TYPE                       | Open Collector                                                                                             |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                               |
| NUMBER OF ELEMENTS                | 2                                                                                                          |
| MOUNTING TYPE                     | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                 |
| HYSTERESIS                        | 11.5mV                                                                                                     |
| DETAILED DESCRIPTION              | Comparator with Voltage Reference Open Collector 6-DFN (2x3)                                               |
| CURRENT - QUIESCENT (MAX)         | 17µA                                                                                                       |
| CURRENT - OUTPUT (TYP)            | -                                                                                                          |
| CURRENT - INPUT BIAS (MAX)        | 0.01µA @ 18V                                                                                               |
| CMRR, PSRR (TYP)                  | -                                                                                                          |
