| QUANTITY AVAILABLE                | 4638 pcs                                                                                        |
| DATA SHEET                        |  AD626AR.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.4 V ~ 12 V, ±1.2 V ~ 6 V                                                                      |
| VOLTAGE - INPUT OFFSET            | 50µV                                                                                            |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                          |
| SLEW RATE                         | 0.22 V/µs                                                                                       |
| SERIES                            | -                                                                                               |
| PACKAGING                         | Tube                                                                                            |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                   |
| OUTPUT TYPE                       | -                                                                                               |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                    |
| NUMBER OF CIRCUITS                | 1                                                                                               |
| MOUNTING TYPE                     | Surface Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                              |
| DETAILED DESCRIPTION              | Differential Amplifier 1 Circuit 8-SOIC                                                         |
| CURRENT - SUPPLY                  | 1.5mA                                                                                           |
| CURRENT - OUTPUT / CHANNEL        | 12mA                                                                                            |
| BASE PART NUMBER                  | AD626                                                                                           |
| AMPLIFIER TYPE                    | Differential                                                                                    |
| -3DB BANDWIDTH                    | 100kHz                                                                                          |
