NCP1653PG

Part Number: NCP1653PG

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: IC PFC CONTROLLER CCM 8DIP

Datasheets:  NCP1653PG.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 5059 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of NCP1653PG      |                                                                                                   |
|----------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NCP1653PG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                              |
| DESCRIPTION                      | IC PFC CONTROLLER CCM 8DIP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| QUANTITY AVAILABLE               | 5059 pcs                                                                                          |
| DATA SHEET                       |  NCP1653PG.pdf |
| VOLTAGE - SUPPLY                 | 8.75 V ~ 18 V                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                                                            |
| SERIES                           | -                                                                                                 |
| PACKAGING                        | Tube                                                                                              |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                            |
| OTHER NAMES                      | NCP1653PGOS                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                     |
| MOUNTING TYPE                    | Through Hole                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| MODE                             | Continuous Conduction (CCM)                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| FREQUENCY - SWITCHING            | 90kHz ~ 110kHz                                                                                    |
| DETAILED DESCRIPTION             | PFC IC Continuous Conduction (CCM) 90kHz ~ 110kHz 8-PDIP                                          |
| BASE PART NUMBER                 | NCP1653                                                                                           |
