Storage

Leading Innovation

Part Number:TC74VHC08FK(EL,K)

Manufacturer/Brand:Toshiba Semiconductor and Storage

Product description:IC GATE AND 4CH 2-INP 14VSSOP

Datasheets: TC74VHC08FK(EL,K).pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:666092 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of TC74VHC08FK(EL,K)

|                                   |                                                                                                           |
|-----------------------------------|-----------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | TC74VHC08FK(EL,K)                                                                                         |
| MANUFACTURER                      | Toshiba Semiconductor and Storage                                                                         |
| DESCRIPTION                       | IC GATE AND 4CH 2-INP 14VSSOP                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                |
| QUANTITY AVAILABLE                | 666092 pcs                                                                                                |
| DATA SHEET                        |  TC74VHC08FK(EL,K).pdf |
| VOLTAGE - SUPPLY                  | 2 V ~ 5.5 V                                                                                               |
| SUPPLIER DEVICE PACKAGE           | 14-VSSOP                                                                                                  |
| SERIES                            | TC74VHC                                                                                                   |
| PACKAGING                         | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                    | 14-VFSOP (0.118", 3.00mm Width)                                                                           |
| OTHER NAMES                       | TC74VHC08FK(ELK)TR                                                                                        |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                              |
| NUMBER OF INPUTS                  | 2                                                                                                         |
| NUMBER OF CIRCUITS                | 4                                                                                                         |
| MOUNTING TYPE                     | Surface Mount                                                                                             |
| MAX PROPAGATION DELAY @ V, MAX CL | 7.9ns @ 5V, 50pF                                                                                          |
| LOGIC TYPE                        | AND Gate                                                                                                  |
| LOGIC LEVEL - LOW                 | -                                                                                                         |
| LOGIC LEVEL - HIGH                | -                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                |
| FEATURES                          | -                                                                                                         |
| DETAILED DESCRIPTION              | AND Gate IC 4 Channel 14-VSSOP                                                                            |
| CURRENT - QUIESCENT (MAX)         | 2µA                                                                                                       |
| CURRENT - OUTPUT HIGH, LOW        | 8mA, 8mA                                                                                                  |
