| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 3.6 V                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 144-LQFP (20x20)                                                                              |
| SPEED                            | 100MHz                                                                                        |
| SERIES                           | RX600                                                                                         |
| RAM SIZE                         | 64K x 8                                                                                       |
| PROGRAM MEMORY TYPE              | FLASH                                                                                         |
| PROGRAM MEMORY SIZE              | 384KB (384K x 8)                                                                              |
| PERIPHERALS                      | DMA, LVD, POR, PWM, WDT                                                                       |
| PACKAGING                        | Tray                                                                                          |
| PACKAGE / CASE                   | 144-LQFP                                                                                      |
| OTHER NAMES                      | R5F562N7ADFBV0                                                                                |
| OSCILLATOR TYPE                  | Internal                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                             |
| NUMBER OF I/O                    | 103                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                    |
| EEPROM SIZE                      | -                                                                                             |
| DETAILED DESCRIPTION             | RX RX600 Microcontroller IC 32-Bit 100MHz 384KB (384K x 8) FLASH 144-LQFP (20x20)             |
| DATA CONVERTERS                  | A/D 8x10/12b, D/A 2x10b                                                                       |
| CORE SIZE                        | 32-Bit                                                                                        |
| CORE PROCESSOR                   | RX                                                                                            |
| CONNECTIVITY                     | EBI/EMI, I²C, SCI, SPI, USB                                                                   |
| BASE PART NUMBER                 | R5F562                                                                                        |
