|                     |                                              |
|---------------------|----------------------------------------------|
| Part Number:        | P51-100-S-H-D-5V-000-000                     |
| Manufacturer/Brand: | SSI Technologies, Inc.                       |
| Product description | SENSOR 100PSIS M12 5V                        |
| Datasheets:         | <a href="#">P51-100-S-H-D-5V-000-000.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                   |
| Stock Condition     | 659 pcs stock                                |
| Ship From           | Hong Kong                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                        |

| DESCRIPTION                    | SENSOR 100PSIS M12 5V                                                                 |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                            |
| QUANTITY AVAILABLE             | 659 pcs                                                                               |
| DATA SHEET                     | <a href="#">P51-100-S-H-D-5V-000-000.pdf</a>                                          |
| VOLTAGE - SUPPLY               | 8 V ~ 30 V                                                                            |
| TERMINATION STYLE              | Deutsch, 3 Pin                                                                        |
| SUPPLIER DEVICE PACKAGE        | -                                                                                     |
| SERIES                         | MediaSensor™                                                                          |
| PRESSURE TYPE                  | Sealed Gauge                                                                          |
| PORT STYLE                     | Threaded                                                                              |
| PORT SIZE                      | Male - M12 x 1.5                                                                      |
| PACKAGE / CASE                 | Cylinder                                                                              |
| OUTPUT TYPE                    | Analog Voltage                                                                        |
| OUTPUT                         | 1 V ~ 5 V                                                                             |
| OTHER NAMES                    | P51-100-S-H-D-5V<br>P51-100-S-H-D-5V-ND                                               |
| OPERATING TEMPERATURE          | -40°C ~ 105°C                                                                         |
| OPERATING PRESSURE             | 100 PSI (689.48 kPa)                                                                  |
| MAXIMUM PRESSURE               | -                                                                                     |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                            |
| FEATURES                       | Amplified Output, Temperature Compensated                                             |
| DETAILED DESCRIPTION           | Pressure Sensor 100 PSI (689.48 kPa) Sealed Gauge Male - M12 x 1.5 1 V ~ 5 V Cylinder |
| ACCURACY                       | ±0.5%                                                                                 |
