

CS-4-12YTA

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | CS-4-12YTA                       |
| Manufacturer/Brand: | Copal Electronics                |
| Product description | SWITCH ROTARY DIP SPDT 100MA 16V |
| Datasheets:         | CS-4-12YTA.pdf                   |
| RoHs Status         | Lead free / RoHS Compliant       |
| Stock Condition     | 83594 pcs stock                  |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

REQUEST FOR QUOTATION

Specifications of CS-4-12YTA

| DESCRIPTION                      | SWITCH ROTARY DIP SPDT 100MA 16V                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| QUANTITY AVAILABLE               | 83594 pcs                                                                     |
| DATA SHEET                       | CS-4-12YTA.pdf                                                                |
| WASHABLE                         | Yes                                                                           |
| VOLTAGE RATING                   | 16VDC                                                                         |
| TERMINATION STYLE                | J Lead                                                                        |
| SERIES                           | CS-4                                                                          |
| PITCH                            | -                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                              |
| OTHER NAMES                      | 563-1033-2                                                                    |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                                  |
| NUMBER OF POSITIONS              | 2                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| MECHANICAL LIFE                  | -                                                                             |
| LENGTH                           | 0.197" (5.00mm)                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| HEIGHT ABOVE BOARD               | 0.091" (2.30mm)                                                               |
| FEATURES                         | -                                                                             |
| ELECTRICAL LIFE                  | 200 Cycles                                                                    |
| DETAILED DESCRIPTION             | Dip Switch SPDT 2 Position Surface Mount Rotary for Tool Actuator 100mA 16VDC |
| CURRENT RATING                   | 100mA                                                                         |
| CONTACT MATERIAL                 | Copper Alloy                                                                  |
| CONTACT FINISH                   | Gold                                                                          |
| CIRCUIT                          | SPDT                                                                          |
| BODY MATERIAL                    | Epoxy                                                                         |
| ACTUATOR TYPE                    | Rotary for Tool                                                               |
| ACTUATOR LEVEL                   | Flush, Recessed                                                               |
