MT29F1G08ABADAH4:D

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F1G08ABADAH4:D                                                                                           |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 1G PARALLEL 63VFBGA                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 30773 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MT29F1G08ABADAH4:D

|                                  |                                                                |
|----------------------------------|----------------------------------------------------------------|
| PART NUMBER                      | MT29F1G08ABADAH4:D                                             |
| MANUFACTURER                     | Micron Technology                                              |
| DESCRIPTION                      | IC FLASH 1G PARALLEL 63VFBGA                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| QUANTITY AVAILABLE               | 30773 pcs                                                      |
| DATA SHEET                       |                                                                |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                              |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                  |
| TECHNOLOGY                       | FLASH - NAND                                                   |
| SUPPLIER DEVICE PACKAGE          | 63-VFBGA (9x11)                                                |
| SERIES                           | -                                                              |
| PACKAGING                        | Bulk                                                           |
| PACKAGE / CASE                   | 63-VFBGA                                                       |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                |
| MOUNTING TYPE                    | Surface Mount                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                  |
| MEMORY TYPE                      | Non-Volatile                                                   |
| MEMORY SIZE                      | 1Gb (128M x 8)                                                 |
| MEMORY INTERFACE                 | Parallel                                                       |
| MEMORY FORMAT                    | FLASH                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 1Gb (128M x 8) Parallel 63-VFBGA (9x11) |
| BASE PART NUMBER                 | MT29F1G08                                                      |
