| DESCRIPTION                      | IC RTC CLK/CALENDAR PAR 24-SOIC                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| QUANTITY AVAILABLE               | 10184 pcs                                                                                                            |
| DATA SHEET                       |  <a href="#">DS17285SN-5+.pdf</a> |
| VOLTAGE - SUPPLY, BATTERY        | 2.5 V ~ 3.7 V                                                                                                        |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                        |
| TYPE                             | Clock/Calendar                                                                                                       |
| TIME FORMAT                      | HH:MM:SS (12/24 hr)                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                                                                              |
| SERIES                           | -                                                                                                                    |
| PACKAGING                        | Tube                                                                                                                 |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                                                                       |
| OTHER NAMES                      | DS17285SN5                                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                        |
| MEMORY SIZE                      | 2KB                                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| INTERFACE                        | Parallel                                                                                                             |
| FEATURES                         | Alarm, Daylight Savings, Leap Year, NVSRAM, Square Wave Output                                                       |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar 2KB Parallel 24-SOIC (0.295", 7.50mm Width)                                  |
| DATE FORMAT                      | YY-MM-DD-dd                                                                                                          |
| CURRENT - TIMEKEEPING (MAX)      | 3mA @ 4.5V ~ 5.5V                                                                                                    |
| BASE PART NUMBER                 | DS17285                                                                                                              |
