|---------------------|---------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LT6238CGN#PBF                                                                                                       |
| Manufacturer/Brand: | ADI (Analog Devices, Inc.)                                                                                          |
| Product description | IC OP AMP QUAD 215MHZ 16SSOP                                                                                        |
| Datasheets:         |  <a href="#">LT6238CGN#PBF.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant        |
| Stock Condition     | 15089 pcs stock                                                                                                     |
| Ship From           | Hong Kong                                                                                                           |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                               |

REQUEST FOR QUOTATION

Specifications of LT6238CGN#PBF

|                                   |                                                                                                                       |
|-----------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | LT6238CGN#PBF                                                                                                         |
| MANUFACTURER                      | ADI (Analog Devices, Inc.)                                                                                            |
| DESCRIPTION                       | IC OP AMP QUAD 215MHZ 16SSOP                                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                            |
| QUANTITY AVAILABLE                | 15089 pcs                                                                                                             |
| DATA SHEET                        |  <a href="#">LT6238CGN#PBF.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 12.6 V                                                                                                          |
| VOLTAGE - INPUT OFFSET            | 350µV                                                                                                                 |
| SUPPLIER DEVICE PACKAGE           | 16-SSOP                                                                                                               |
| SLEW RATE                         | 70 V/µs                                                                                                               |
| SERIES                            | -                                                                                                                     |
| PACKAGING                         | Tube                                                                                                                  |
| PACKAGE / CASE                    | 16-SSOP (0.154", 3.90mm Width)                                                                                        |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                          |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                                                            |
| NUMBER OF CIRCUITS                | 4                                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                            |
| GAIN BANDWIDTH PRODUCT            | 215MHz                                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 16-SSOP                                                              |
| CURRENT - SUPPLY                  | 3.5mA                                                                                                                 |
| CURRENT - INPUT BIAS              | 5µA                                                                                                                   |
| BASE PART NUMBER                  | LT6238                                                                                                                |
| AMPLIFIER TYPE                    | General Purpose                                                                                                       |
