REQUEST FOR QUOTATION

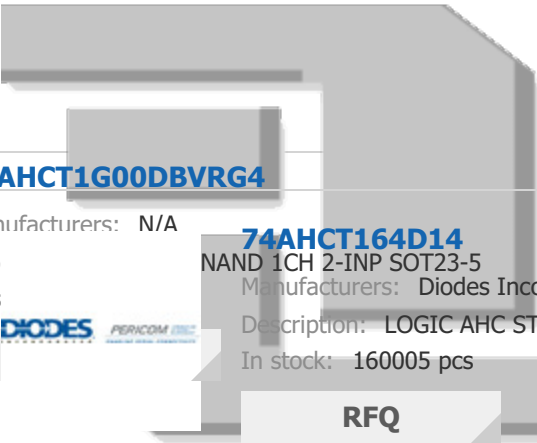

Specifications of 74AHCT16540DLRG4

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | 74AHCT16540DLRG4                                                     |
| MANUFACTURER                     | N/A                                                                  |
| DESCRIPTION                      | IC BUFFER INVERT 5.5V 48SSOP                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| QUANTITY AVAILABLE               | 3432 pcs                                                             |
| DATA SHEET                       |                                                                      |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                        |
| SUPPLIER DEVICE PACKAGE          | 48-SSOP                                                              |
| SERIES                           | 74AHCT                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                     |
| PACKAGE / CASE                   | 48-BSSOP (0.295", 7.50mm Width)                                      |
| OUTPUT TYPE                      | 3-State                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                    |
| NUMBER OF ELEMENTS               | 2                                                                    |
| NUMBER OF BITS PER ELEMENT       | 8                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LOGIC TYPE                       | Buffer, Inverting                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| INPUT TYPE                       | -                                                                    |
| DETAILED DESCRIPTION             | Buffer, Inverting 2 Element 8 Bit per Element 3-State Output 48-SSOP |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                             |
| BASE PART NUMBER                 | 74AHCT16540                                                          |
