

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:  
NLSX4373DR2G

Manufacturer/Brand:  
AMI Semiconductor / ON Semiconductor

Product description  
IC TRNSLTR BIDIRECTIONAL 8SOIC

Datasheets:  
 NLSX4373DR2G.pdf

RoHs Status  
 Lead free / RoHS Compliant

Stock Condition  
283586 pcs stock

Ship From  
Hong Kong

Shipment Way  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

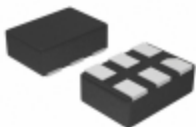

Specifications of NLSX4373DR2G

|                                  |                                                                                                      |
|----------------------------------|------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  NLSX4373DR2G.pdf |
| VOLTAGE - VCCB                   | 1.5V ~ 5.5V                                                                                          |
| VOLTAGE - VCCA                   | 1.5V ~ 5.5V                                                                                          |
| TRANSLATOR TYPE                  | Voltage Level                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                               |
| SERIES                           | -                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                        |
| OUTPUT TYPE                      | Open Drain, Tri-State                                                                                |
| OUTPUT SIGNAL                    | -                                                                                                    |
| OTHER NAMES                      | NLSX4373DR2G-ND<br>NLSX4373DR2GOSTR                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                    |
| NUMBER OF CIRCUITS               | 1                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INPUT SIGNAL                     | -                                                                                                    |
| FEATURES                         | Auto-Direction Sensing                                                                               |
| DETAILED DESCRIPTION             | Voltage Level Translator Bidirectional 1 Circuit 2 Channel 20Mbps 8-SOIC                             |
| DATA RATE                        | 20Mbps                                                                                               |
| CHANNELS PER CIRCUIT             | 2                                                                                                    |
| CHANNEL TYPE                     | Bidirectional                                                                                        |
| BASE PART NUMBER                 | NLSX4373                                                                                             |
