UPD70F3612M2GAA-GAN-E2-AX

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | UPD70F3612M2GAA-GAN-E2-AX                                                                                    |
| Manufacturer/Brand: | Renesas Electronics America                                                                                  |
| Product description | IC MCU                                                                                                       |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 5731 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of UPD70F3612M2GAA-GAN-E2-AX

|                                  |                             |
|----------------------------------|-----------------------------|
| PART NUMBER                      | UPD70F3612M2GAA-GAN-E2-AX   |
| MANUFACTURER                     | Renesas Electronics America |
| DESCRIPTION                      | IC MCU                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant  |
| QUANTITY AVAILABLE               | 5731 pcs                    |
| DATA SHEET                       |                             |
| SERIES                           | -                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant  |
| DETAILED DESCRIPTION             | - Microcontroller IC        |
