| VOLTAGE - SUPPLY, SINGLE (V+)     | 2.4 V ~ 5.5 V                                                                             |
| VOLTAGE - SUPPLY, DUAL (V±)       | -                                                                                         |
| SWITCH CIRCUIT                    | -                                                                                         |
| SUPPLIER DEVICE PACKAGE           | 10-UTQFN (1.4x1.8)                                                                        |
| SERIES                            | -                                                                                         |
| PACKAGING                         | Tube                                                                                      |
| PACKAGE / CASE                    | 10-UFQFN                                                                                  |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                         |
| ON-STATE RESISTANCE (MAX)         | 350 mOhm                                                                                  |
| NUMBER OF CHANNELS                | 2                                                                                         |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 2:1, 2:2                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                |
| FEATURES                          | Break-Before-Make                                                                         |
| DETAILED DESCRIPTION              | Audio, Video Switch IC 2 Channel 10-UTQFN (1.4x1.8)                                       |
| BASE PART NUMBER                  | MAX14535E                                                                                 |
| APPLICATIONS                      | Audio, Video                                                                              |
| -3DB BANDWIDTH                    | 100MHz                                                                                    |
