CLRC66303HNY

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | CLRC66303HNY                    |
| Manufacturer/Brand: | NXP Semiconductors / Freescale  |
| Product description | IC NFC CONTACTLESS TXRX 32HVQFN |
| Datasheets:         |                                 |
| Stock Condition     | 21318 pcs stock                 |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

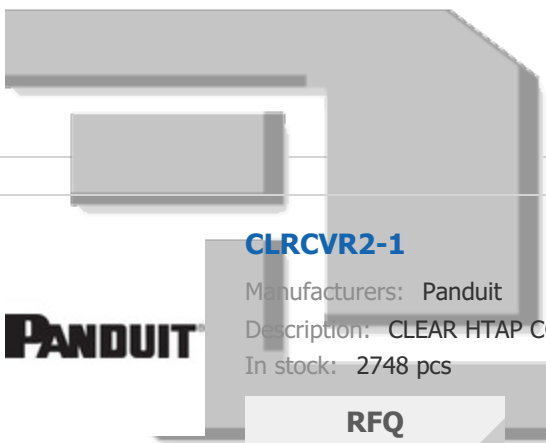

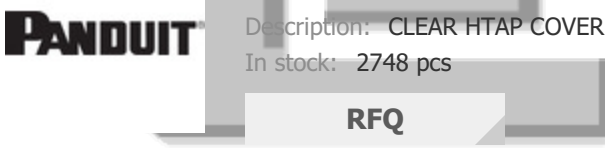

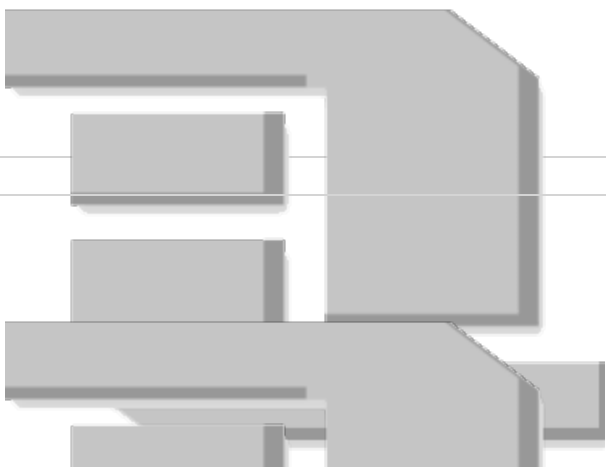

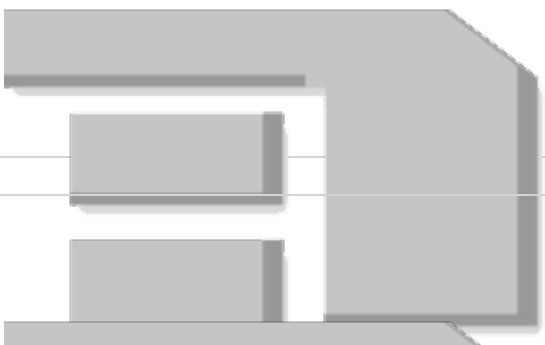

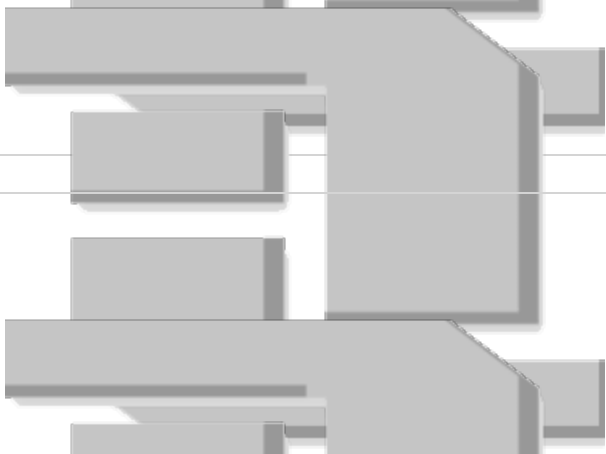

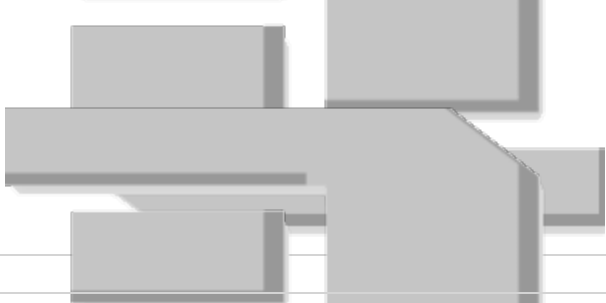

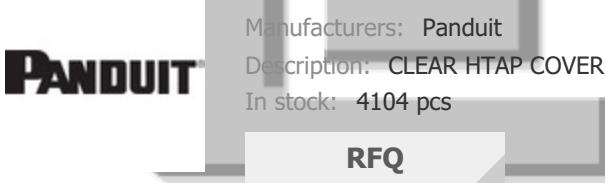

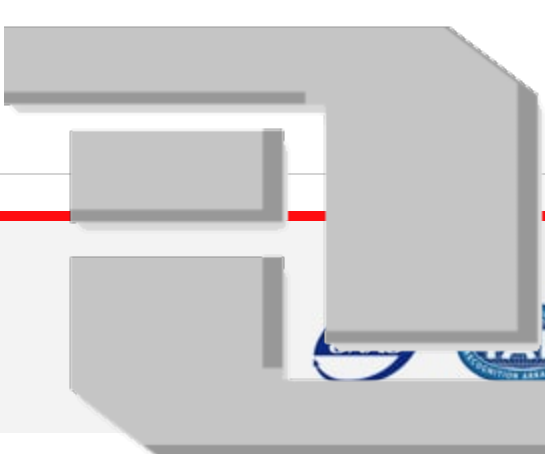

Specifications of CLRC66303HNY

|                                  |                                                                                                                      |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------|

| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                                       |
| DESCRIPTION                      | IC NFC CONTACTLESS TXRX 32HVQFN                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                                                      |
| QUANTITY AVAILABLE               | 21318 pcs                                                                                                            |
| DATA SHEET                       |                                                                                                                      |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 5.5 V                                                                                                        |
| TYPE                             | RFID Reader                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 32-HVQFN (5x5)                                                                                                       |
| STANDARDS                        | ISO 14443, ISO 15693, 18000-3, MIFARE, NFC                                                                           |
| SERIES                           | -                                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                                     |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                                                                 |
| OTHER NAMES                      | 568-13408-2<br>935306208518                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                                           |
| INTERFACE                        | I²C, SPI, UART                                                                                                       |
| FREQUENCY                        | 13.56MHz                                                                                                             |
| DETAILED DESCRIPTION             | RFID Reader IC 13.56MHz ISO 14443, ISO 15693, 18000-3, MIFARE, NFC I²C, SPI, UART 2.5 V ~ 5.5 V 32-VFQFN Exposed Pad |
