

## ATSAML11D14A-YFT

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | ATSAML11D14A-YFT                                                                                             |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC MCU 32BIT 16KB FLASH 24SSOP                                                                               |
| Datasheets:         | <a href="#">1.ATSAML11D14A-YFT.pdf</a><br><a href="#">2.ATSAML11D14A-YFT.pdf</a>                             |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 48938 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

### Specifications of ATSAML11D14A-YFT

|                                  |                                                                                       |
|----------------------------------|---------------------------------------------------------------------------------------|
| PART NUMBER                      | ATSAML11D14A-YFT                                                                      |
| MANUFACTURER                     | Micrel / Microchip Technology                                                         |
| DESCRIPTION                      | IC MCU 32BIT 16KB FLASH 24SSOP                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| QUANTITY AVAILABLE               | 48938 pcs                                                                             |

| VOLTAGE - SUPPLY (VCC/VDD)       | 1.62 V ~ 3.63 V                                                                       |
| SUPPLIER DEVICE PACKAGE          | 24-SSOP                                                                               |
| SPEED                            | 32MHz                                                                                 |
| SERIES                           | SAM L11                                                                               |
| RAM SIZE                         | 8K x 8                                                                                |
| PROGRAM MEMORY TYPE              | FLASH                                                                                 |
| PROGRAM MEMORY SIZE              | 16KB (16K x 8)                                                                        |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, POR, PWM, WDT                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                      |
| PACKAGE / CASE                   | 24-SSOP (0.209", 5.30mm Width)                                                        |
| OTHER NAMES                      | ATSAML11D14A-YFTTR                                                                    |
| OSCILLATOR TYPE                  | Internal                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                    |
| NUMBER OF I/O                    | 17                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| EEPROM SIZE                      | 2K x 8                                                                                |
| DETAILED DESCRIPTION             | ARM® Cortex®-M23 SAM L11 Microcontroller IC 32-Bit 32MHz 16KB (16K x 8) FLASH 24-SSOP |
| DATA CONVERTERS                  | A/D 5x12b, D/A 1x10b                                                                  |
| CORE SIZE                        | 32-Bit                                                                                |
| CORE PROCESSOR                   | ARM® Cortex®-M23                                                                      |
| CONNECTIVITY                     | I²C, LINbus, SPI, UART/USART                                                          |
