| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.5 V ~ 10 V                                                                        |
| VOLTAGE - INPUT OFFSET            | 250μV                                                                               |
| SUPPLIER DEVICE PACKAGE           | 8-PDIP                                                                              |
| SLEW RATE                         | 0.08 V/μs                                                                           |
| SERIES                            | -                                                                                   |
| PACKAGING                         | Tube                                                                                |
| PACKAGE / CASE                    | 8-DIP (0.300", 7.62mm)                                                              |
| OUTPUT TYPE                       | Rail-to-Rail                                                                        |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                          |
| NUMBER OF CIRCUITS                | 1                                                                                   |
| MOUNTING TYPE                     | Through Hole                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                  |
| GAIN BANDWIDTH PRODUCT            | 150kHz                                                                              |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail 8-PDIP                             |
| CURRENT - SUPPLY                  | 1μA                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 600μA                                                                               |
| CURRENT - INPUT BIAS              | 0.1pA                                                                               |
| BASE PART NUMBER                  | MAX409                                                                              |
| AMPLIFIER TYPE                    | General Purpose                                                                     |
