| DATA SHEET                       |  MIC2211-WMYML-TR.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.25V @ 150mA, 0.42V @ 300mA                                                                             |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.6V, 2.8V                                                                                               |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                        |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 10-MLF® (3x3)                                                                                            |
| SERIES                           | -                                                                                                        |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 10-VFDFN Exposed Pad, 10-MLF®                                                                            |
| PSRR                             | 60dB ~ 40dB (1KHz ~ 20kHz)                                                                               |
| OUTPUT TYPE                      | Fixed                                                                                                    |
| OUTPUT CONFIGURATION             | Positive                                                                                                 |
| OTHER NAMES                      | MIC2211-WMYML TR<br>MIC2211-WMYML TR-ND<br>MIC2211-WMYMLTR<br>MIC2211-WMYMLTR-ND                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                            |
| NUMBER OF REGULATORS             | 2                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 2 Output 1.6V, 2.8V 150mA, 300mA 10-MLF® (3x3)                |
| CURRENT - QUIESCENT (IQ)         | 80µA                                                                                                     |
| CURRENT - OUTPUT                 | 150mA, 300mA                                                                                             |
| CONTROL FEATURES                 | Enable                                                                                                   |
| BASE PART NUMBER                 | MIC2211                                                                                                  |
