

SSI Technologies, Inc.

P51-15-S-J-I12-4.5V-000-000

Part Number: P51-15-S-J-I12-4.5V-000-000

Manufacturer/Brand: SSI Technologies, Inc.

Product description: SENSOR 15PSI 3/8-24 UNF .5-4.5V

Datasheets:  P51-15-S-J-I12-4.5V-000-000.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 744 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of P51-15-S-J-I12-4.5V-000-000

|                                  |                                                                                                                     |

| DATA SHEET                       |  P51-15-S-J-I12-4.5V-000-000.pdf |
| VOLTAGE - SUPPLY                 | 5V                                                                                                                  |
| TERMINATION STYLE                | Cable 1'                                                                                                            |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                                   |
| SERIES                           | MediaSensor™                                                                                                        |
| PRESSURE TYPE                    | Sealed Gauge                                                                                                        |
| PORT STYLE                       | Threaded                                                                                                            |
| PORT SIZE                        | Male - 3/8" (9.52mm) UNF                                                                                            |
| PACKAGE / CASE                   | Cylinder                                                                                                            |
| OUTPUT TYPE                      | Analog Voltage                                                                                                      |
| OUTPUT                           | 0.5 V ~ 4.5 V                                                                                                       |
| OTHER NAMES                      | P51-15-S-J-I12-4.5V<br>P51-15-S-J-I12-4.5V-ND                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                                       |
| OPERATING PRESSURE               | 15 PSI (103.42 kPa)                                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                       |
| MAXIMUM PRESSURE                 | -                                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                           |
| DETAILED DESCRIPTION             | Pressure Sensor 15 PSI (103.42 kPa) Sealed Gauge Male - 3/8" (9.52mm) UNF 0.5 V ~ 4.5 V Cylinder                    |
| ACCURACY                         | ±1%                                                                                                                 |
