| QUANTITY AVAILABLE               | 1562 pcs                                                                                                            |
| DATA SHEET                       |  <a href="#">DS4026S+FCN.pdf</a> |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                                   |
| TYPE                             | Temperature, Compensated Crystal Oscillator (TCXO)                                                                  |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                                             |
| SERIES                           | -                                                                                                                   |
| PACKAGING                        | Tube                                                                                                                |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| FREQUENCY                        | 16.384MHz                                                                                                           |
| DETAILED DESCRIPTION             | Temperature, Compensated Crystal Oscillator (TCXO) IC 16.384MHz 16-SOIC                                             |
| CURRENT - SUPPLY                 | 1.5mA                                                                                                               |
| COUNT                            | -                                                                                                                   |
| BASE PART NUMBER                 | DS4026                                                                                                              |
