

Zilog  
An IXYS Company

Zilog

Z86C6116PSCR3353

Part Number:[Z86C6116PSCR3353](#)

Manufacturer/Brand:[Zilog](#)

Product description:IC MCU 8BIT 16KB ROM 40DIP

Datasheets: [Z86C6116PSCR3353.pdf](#)

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:5092 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of Z86C6116PSCR3353

|                                  |                                                                                                                          |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------|

| MANUFACTURER                     | Zilog                                                                                                                    |
| DESCRIPTION                      | IC MCU 8BIT 16KB ROM 40DIP                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                       |
| QUANTITY AVAILABLE               | 5092 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">Z86C6116PSCR3353.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 5.5 V                                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 40-DIP                                                                                                                   |
| SPEED                            | 16MHz                                                                                                                    |
| SERIES                           | Z8®                                                                                                                      |
| RAM SIZE                         | 236 x 8                                                                                                                  |
| PROGRAM MEMORY TYPE              | ROM                                                                                                                      |
| PROGRAM MEMORY SIZE              | 16KB (16K x 8)                                                                                                           |
| PERIPHERALS                      | -                                                                                                                        |
| PACKAGING                        | Tube                                                                                                                     |
| PACKAGE / CASE                   | 40-DIP (0.600", 15.24mm)                                                                                                 |
| OSCILLATOR TYPE                  | Internal                                                                                                                 |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                                          |
| NUMBER OF I/O                    | 32                                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                       |
| EEPROM SIZE                      | -                                                                                                                        |
| DETAILED DESCRIPTION             | Z8 Z8® Microcontroller IC 8-Bit 16MHz 16KB (16K x 8) ROM 40-DIP                                                          |
| DATA CONVERTERS                  | -                                                                                                                        |
| CORE SIZE                        | 8-Bit                                                                                                                    |
| CORE PROCESSOR                   | Z8                                                                                                                       |
| CONNECTIVITY                     | EBI/EMI, UART/USART                                                                                                      |
