**ADET-5000-TR1**

Part Number: [ADET-5000-TR1](#)  
Manufacturer/Brand: [Avago Technologies \(Broadcom Limited\)](#)  
Product description: IC RF DETECT 700MHZ-2.6GHZ 6SMD  
Datasheets:  [ADET-5000-TR1.pdf](#)  
RoHs Status:  Lead free / RoHS Compliant  
Stock Condition: 6115 pcs stock  
Ship From: Hong Kong  
Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| DESCRIPTION                      | IC RF DETECT 700MHZ-2.6GHZ 6SMD                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| QUANTITY AVAILABLE               | 6115 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">ADET-5000-TR1.pdf</a> |
| VOLTAGE - SUPPLY                 | -                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 6-SMD (1.2x1.5)                                                                                                       |
| SERIES                           | -                                                                                                                     |
| RF TYPE                          | General Purpose                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                   | 6-XFDN Exposed Pad                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| INPUT RANGE                      | -20dBm ~ 11dBm                                                                                                        |
| FREQUENCY                        | 700MHz ~ 2.6GHz                                                                                                       |
| DETAILED DESCRIPTION             | RF Detector IC General Purpose 700MHz ~ 2.6GHz -20dBm ~ 11dBm 6-XFDN Exposed Pad                                      |
| ACCURACY                         | -                                                                                                                     |
