SC16C754BIB80,528

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SC16C754BIB80,528                                                                                            |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC UART QUAD 64BYTE 80LQFP                                                                                   |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 15967 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

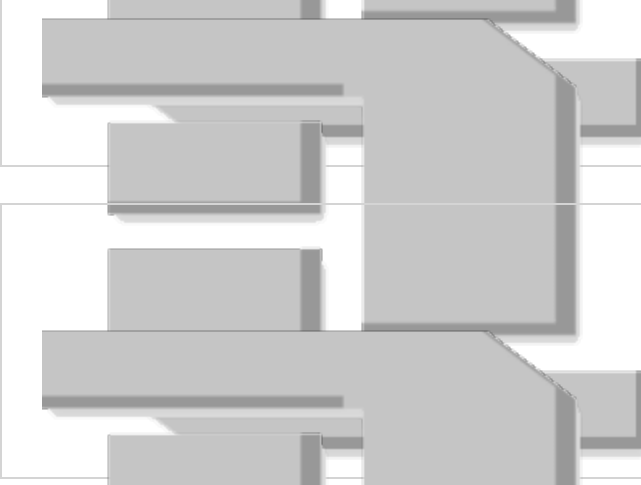

Specifications of SC16C754BIB80,528

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | SC16C754BIB80,528                                     |
| MANUFACTURER                     | NXP Semiconductors / Freescale                        |
| DESCRIPTION                      | IC UART QUAD 64BYTE 80LQFP                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| QUANTITY AVAILABLE               | 15967 pcs                                             |
| DATA SHEET                       |                                                       |
| WITH MODEM CONTROL               | Yes                                                   |
| WITH IRDA ENCODER/DECODER        | -                                                     |
| WITH FALSE START BIT DETECTION   | Yes                                                   |
| WITH AUTO FLOW CONTROL           | Yes                                                   |
| VOLTAGE - SUPPLY                 | 2.5V, 3.3V, 5V                                        |
| SUPPLIER DEVICE PACKAGE          | 80-LQFP (12x12)                                       |
| SERIES                           | -                                                     |
| PROTOCOL                         | -                                                     |
| PACKAGING                        | Tape & Reel (TR)                                      |
| PACKAGE / CASE                   | 80-LQFP                                               |
| OTHER NAMES                      | 935274939528<br>SC16C754BIB80-T<br>SC16C754BIB80-T-ND |
| NUMBER OF CHANNELS               | 4, QUART                                              |
| MOUNTING TYPE                    | Surface Mount                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| FEATURES                         | -                                                     |
| FIFO'S                           | 64 Byte                                               |
| DATA RATE (MAX)                  | 5Mbps                                                 |
| BASE PART NUMBER                 | SC16C754                                              |
