AS3822-ZTQW

Part Number:

AS3822-ZTQW

Manufacturer/Brand:

ams

Product description

IC LED DRIVER LINEAR DIM 32TQFP

Datasheets:

 AS3822-ZTQW.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

5990 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of AS3822-ZTQW

|                                  |                                                                                                     |

| DATA SHEET                       |  AS3822-ZTQW.pdf |
| VOLTAGE - SUPPLY (MIN)           | -                                                                                                   |
| VOLTAGE - SUPPLY (MAX)           | -                                                                                                   |
| VOLTAGE - OUTPUT                 | -                                                                                                   |
| TYPE                             | Linear                                                                                              |
| TOPOLOGY                         | -                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 32-TQFP                                                                                             |
| SERIES                           | -                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                    |
| PACKAGE / CASE                   | 32-TQFP                                                                                             |
| OPERATING TEMPERATURE            | -                                                                                                   |
| NUMBER OF OUTPUTS                | 8                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| INTERNAL SWITCH(S)               | No                                                                                                  |
| FREQUENCY                        | -                                                                                                   |
| DIMMING                          | SPI                                                                                                 |
| DETAILED DESCRIPTION             | LED Driver IC 8 Output Linear SPI Dimming 32-TQFP                                                   |
| CURRENT - OUTPUT / CHANNEL       | -                                                                                                   |
| APPLICATIONS                     | Backlight                                                                                           |
