LC5222D

|                     |                                                                |
|---------------------|----------------------------------------------------------------|
| Part Number:        | LC5222D                                                        |
| Manufacturer/Brand: | Sanken Electric Co., Ltd.                                      |
| Product description | IC LED DRVR OFFL DIM 400MA 8DIP                                |
| Datasheets:         | <a href="#">1.LC5222D.pdf</a><br><a href="#">2.LC5222D.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                     |
| Stock Condition     | 97130 pcs stock                                                |
| Ship From           | Hong Kong                                                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                          |

REQUEST FOR QUOTATION

| DESCRIPTION                      | IC LED DRVR OFFL DIM 400MA 8DIP                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE               | 97130 pcs                                                                                               |
| DATA SHEET                       | <a href="#">1.LC5222D.pdf</a><br><a href="#">2.LC5222D.pdf</a>                                          |
| VOLTAGE - SUPPLY (MIN)           | 25V                                                                                                     |
| VOLTAGE - SUPPLY (MAX)           | 200V                                                                                                    |
| VOLTAGE - OUTPUT                 | -                                                                                                       |
| TYPE                             | AC DC Offline Switcher                                                                                  |
| TOPOLOGY                         | Step-Down (Buck), Step-Up (Boost)                                                                       |
| SUPPLIER DEVICE PACKAGE          | 8-DIP                                                                                                   |
| SERIES                           | -                                                                                                       |
| PACKAGING                        | Tube                                                                                                    |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm), 7 Leads                                                                         |
| OTHER NAMES                      | LC5222D DK                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                      |
| NUMBER OF OUTPUTS                | 1                                                                                                       |
| MOUNTING TYPE                    | Through Hole                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INTERNAL SWITCH(S)               | Yes                                                                                                     |
| FREQUENCY                        | -                                                                                                       |
| DIMMING                          | PWM                                                                                                     |
| DETAILED DESCRIPTION             | LED Driver IC 1 Output AC DC Offline Switcher Step-Down (Buck), Step-Up (Boost) PWM Dimming 400mA 8-DIP |
| CURRENT - OUTPUT / CHANNEL       | 400mA                                                                                                   |
| APPLICATIONS                     | -                                                                                                       |
