| DATA SHEET                        |  ADA4927-2YCPZ-RL.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 11 V, ±2.25 V ~ 5.5 V                                                                            |
| VOLTAGE - INPUT OFFSET            | 300µV                                                                                                    |
| SUPPLIER DEVICE PACKAGE           | 24-LFCSP-WQ (4x4)                                                                                        |
| SLEW RATE                         | 5000 V/µs                                                                                                |
| SERIES                            | -                                                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                    | 24-WFQFN Exposed Pad, CSP                                                                                |
| OUTPUT TYPE                       | Differential                                                                                             |
| OPERATING TEMPERATURE             | -40°C ~ 105°C                                                                                            |
| NUMBER OF CIRCUITS                | 2                                                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION              | Current Feedback Amplifier 2 Circuit Differential 24-LFCSP-WQ (4x4)                                      |
| CURRENT - SUPPLY                  | 20mA                                                                                                     |
| CURRENT - OUTPUT / CHANNEL        | 65mA                                                                                                     |
| CURRENT - INPUT BIAS              | 500nA                                                                                                    |
| BASE PART NUMBER                  | ADA4927                                                                                                  |
| AMPLIFIER TYPE                    | Current Feedback                                                                                         |
